

3D Design

Essential Information

Exam Board: AQA

Specification Code: 7205

Teachers: Mrs Chignell, Miss Keen

Reading

Research 10 Designers of your choice & read about their lives & works.

Task to be completed:

Based on the reading task above, write about 2 of the designers - in your own words, describing your thoughts about their work. Make a drawing of one of their pieces of work/architecture in a media of your choice.

Then using materials you have at home, try to replicate a piece of their work in 3D. You can use anything from recycling, Pasta, Paper mache etc.

What you will need to submit:

1. Google slides with the written work on 2 designers.
2. Drawing of the designers work. Take a photo of it and add it to the google slides.
3. Photos of the model you have created on the slides.

What else could I do to prepare?

Apps & programmes:

- Pinterest - create boards on Designers and interesting products
- Procreate - if you can buy this for an ipad (approx £10)
- Experiment on Google Sketchup & Tinkercad

Watch:

- Episodes of Grand Designs
- George Clark Small Spaces

All tasks to be handed in during the first lesson of the subject in September
