Purpose of the policy

The purpose of this policy is to provide clear information about charging and voluntary contributions for The Angmering School's activities.

Voluntary Contributions

In general, no charge can be made for admitting pupils to maintained schools. Where education is provided wholly or mainly during school hours, it should be free. It is therefore not possible to levy a compulsory charge for transport or admission costs for swimming lessons or for visits to museums, etc. during school hours. The Angmering School follows the West Sussex policy for charging for school activities that mirrors the information given in the Department for Education's advice document published in November 2013 (<https://www.education.gov.uk/aboutdfe/advice/f00213976/school-charging>).

No compulsory charge will be made for any activity which takes place during school hours. Any contribution is entirely voluntary, and the pupils of parents who are unable or unwilling to contribute are not discriminated against. However, where there are not enough voluntary contributions to make the activity possible, and there is no way to make up the shortfall, then the activity will be cancelled.

Arrangements

All letters regarding contributions for school activities will make it clear that these are voluntary and that children of parents who do not contribute will not be treated differently. If any parents have any financial difficulty (no child will be prevented from taking part) they will be invited to talk to the headteacher who will come to an agreed arrangement.

Residential trips

Special rules apply for residential activities.

a) In School Hours

If a residential activity takes place largely during school time (50% or more of the whole time spent on the activity occurs within schools hours), it meets the requirements of the syllabus for a public examination or is to do with the national curriculum or religious education, no charge will be made either for the education or for the cost of travel. However, charges not exceeding the actual cost for the individual pupil will be made for board and lodging. Voluntary contributions (as above) will be requested.

Children whose parents are in receipt of the following support payments will, in addition to having a free school lunch entitlement, also be entitled to the remission of these charges:

- Universal Credit in prescribed circumstances
- Income support
- Income-based Jobseeker's Allowance (IBJSA)
- Support under part VI of the Immigration and Asylum Act 1999

- Child Tax Credit, (provided that the parent is not entitled to Working Tax Credit, and their annual Income, assessed by HMRC does not exceed £16,190 for the year 2013/14)
- Guaranteed element of State Pension Credit
- An income related employment and support allowance that was introduced on 27 October 2008

Families who think they may be entitled to free school meals will be encouraged to, please contact the school for assistance.

b) Outside School Hours

An activity is deemed to take place out of school hours if 50% or more of the whole time spent on the activity occurs out of school hours. In this case, and for a residential trip, this will be considered as an 'optional extra' and a charge will be levied which includes an appropriate element for travel costs, board and lodging costs, materials and other equipment, non teaching costs and teaching staff costs. This charge will not exceed the actual cost of the provision.

Parents in receipt of the allowances identified above have the same entitlements.

Music Tuition

There will be no charge for musical tuition if the teaching is an essential part of either the national curriculum or a public examination syllabus or is provided under the first access to the Key Stage 2 Instrumental and Vocal Tuition Programme. For other musical tuition, charges will be made for individuals or groups up to four to play a musical instrument, and for the hire and repair of instruments which are used for instrumental tuition at school. No charge will be made in respect of a pupil who is looked after by the local authority (within the meaning of section 22(l) of the Children Act 1989).

Exceptions

Charges may be made for fees for students taking public examinations if they have not been prepared for by the school .

Holidays

Full charges will be made for any residential trips taken outside of term time.

Breakages

In cases of wilful or malicious damage to equipment or breakages, or loss of school books on loan to children, the Headteacher may decide it right to make a charge. Each incident will be dealt with on its own merit.

Lettings

Letting arrangements, prices and procedures are available through the school office and the Lettings Policy..

Financial Support for Families

Parents will be invited to contact the Headteacher if they are having financial difficulties and this would make it difficult for them to make requested voluntary contributions. Pupil Premium

if applicable and other funds will be used wherever possible to make sure that financial hardship does not preclude any student from taking part in an activity.

Monitoring and Review of Policy

The Governing Body will review this policy every 2 years, and as necessary due to any changes in legislation.

Approved by the Governing Body at their meeting on...9th December 2020....
