

The Angmering School Home School Agreement

The Angmering School Commitment Charter

Our simple belief is that our students need to be kind and work hard to be successful, rights respecting learners and citizens. To achieve this, and through everything we do, we will promote ambition, respect and courage:

Ambition

We will plan for outstanding progress and take account of the needs of all learners. All members of the school community will be encouraged to meet their aims and be the best they can be.

Respect

Everything we do will be bound by kindness, respect, fairness and equality. Understanding of fundamental rights, British values and a culture of integrity will underpin and drive this approach.

Courage

Everyone will be given opportunities for leadership and to take on new roles and responsibilities. We will challenge you all to overcome your barriers and be brave in learning from your mistakes.
