

Moving up to Angmering - Issue 6

ParentPay.

The ParentPay system uses an image of each student's finger. This is not a fingerprint.

ParentPay offers you the freedom to make payments online using your credit or debit card whenever and wherever you like, safe in the knowledge that the technology uses the highest internet security available.

You will have a secure online account, which can be accessed with a unique user ID and password. You can change these to something you will easily remember.

ParentPay enables you to view all items available to each child along with relevant costs and details. Making a payment is easy as you simply select the item to pay for, and follow the instructions to complete your payment.

ParentPay holds an electronic record of your payments; to view later should you wish. There is a daily 'spend limit' programmed into the system of £5 and a minimum top up value of £5. On request, an individual daily limit of your choice can be set, to include a school dinner and break time snacks. Please note that credit will not be available.

ParentPay system is used as an option to pay for ingredients for Cookery lessons for Food technology lessons. It is a one off payment amount for the whole term.

We will be in contact with you to give you your user name and password when they are ready.

The Canteen

The canteen uses a cashless, biometric system. This allows parents to top up via a system called parent pay.

The canteen is available at both break and lunch times, with the hot meal deal being served at lunch time.

As well as our canteen we also have our snack shack available which serves a reduced menu in a separate area of the school which students can access.

There is signage around the canteen to request that students ask about any allergens if they have concerns.

There are options available:

Main meals generally don't have gluten and students can purchase jacket potatoes, gluten free pasta, salad or wedges.

If you are concerned about allergies please ensure your child asks in the canteen for advice.
