

PS511/25-26/KLA

Wednesday 17 June 2026

Dear parents and carers,

Ahead of the new First Aid guidance to administer adrenaline via an auto-injector in September 2026 we have added a new 'Parent Consental' to your MCAS app.

Please login to your app and select Parental Consent.

Please scroll down to '[Permission to Administer Adrenaline Auto-injectors](#)'

I give permission for a trained member of staff, in line with current First Aid guidance, to administer adrenaline via an auto-injector (formerly known as an 'epi-pen') in the event that my child exhibits signs of potential anaphylaxis.

and move the toggle to '**Yes, I give consent**'.

If you have any further queries please do not hesitate to contact us at [office@theangmeringschool.co.uk](mailto:office@theangmeringschool.co.uk).

Kind regards,

The Angmering School
