HALF TERM

Dear Parents, Carers and Students,

We are now in the swing of the GCSE, BTEC and A Level exams with Year 11 and Year 13 fully focussed and working really hard to make sure that they get the very best results for their futures. Whilst securing the best exam results is only one element of school life, it is obviously really important that every child does their best because better exam outcomes mean more choice for further study, training or work in their futures. As a school community we will continue to offer our full support to our Year 11 and Year 13 students throughout this exciting period. After the exams are over they can then look forward to Prom (Y11) and a long and relaxing summer break.

The rest of the school will look forward to the rest of the term and hope for some good weather to support our normal summer activities after the mid-term break. Thanks as always for your continued support.

Simon Liley

Headteacher

Celebrating our 'Home Learning Heroes'

I would like to take this opportunity to congratulate all of our students who have achieved Home Learning Hero status for the first half of the Summer Term.

These students have successfully completed 100% of their Sparx Maths, Science, and English tasks, a fantastic accomplishment that has earned them 50 ARC points in recognition of their commitment and hard work.

This achievement reflects far more than simply completing homework tasks. It demonstrates independence, resilience, and a positive attitude towards learning. By consistently engaging with their studies and taking responsibility for their progress, these students are developing the habits and skills that will support them both in school and beyond.

We are incredibly proud of the determination and self-discipline shown by our Home Learning Heroes. Their efforts highlight the importance of perseverance and remind us all that success is built through regular commitment and personal responsibility.

To all of those recognised this term: be proud of what you have achieved. Continue to challenge yourselves, believe in your abilities, and keep striving for excellence. The effort you invest today is helping to shape your future, and you should take great confidence from all that you are accomplishing.

Thank you also to parents and carers for your continued support in encouraging positive learning habits at home. Working together, we can continue to help every student achieve their very best.

Mr Liley

Fizz hamper,
Picnic hamper,
Beach hamper,
and many, many more!

TICKETS £1 EACH

Get your tickets **NOW** from the LNC office and Main Reception (cash and cards accepted)
Also available on ParentPay

Raffle to be drawn on 13th July

Parking Reminder for School Drop-Off and Pick-Up

We ask all parents and carers to park safely, legally, and considerately. Unsafe or illegal parking on corners, zigzags, pavements, double yellow lines, or blocking driveways creates hazards for children, pedestrians, and other road users, and causes distress to local residents.

Parking restrictions exist to keep everyone safe. The local authority enforces them, and concerns are being raised directly. Your cooperation helps maintain a safe, respectful environment around the school.

Thank you for your support.

- Park legally and responsibly
- Avoid restricted areas and driveways
- Consider parking a short distance away and walking to school
