

8 April 2022

PS196/22

Dear parents/carers and students,

A quick COVID update

In common with many other schools and businesses recently, we have had a very large number of staff absences this week due to COVID. From Wednesday onwards we have had over 20% of our teaching and support staff absent which obviously made running the school at full capacity an impossibility. We are extremely grateful for your understanding regarding the days of remote learning which we needed to implement for selected year groups.

Year 11 GCSE exam preparation

There have been a number of questions asked recently regarding the plan for study leave for Year 11 students. For clarity; the main exams start in the week commencing 16th May (two weeks prior to half term). **All lessons will run as normal until Friday 27th May** (the end of next half term), with students only being out of lessons to sit their exams. There is no study leave prior to May half term break. From **Monday 6th June**, after the half term break, students will be on study leave and only attending school to take exams.

Staff departures

A number of staff are moving on to new roles in other schools or businesses at the end of this term so I would like to take this opportunity to thank the following people for their excellent contributions to the school during their time working here:

Mrs Fullman - who has been a mainstay of our admin, reception and student support team for 12 years.

Mrs Argent - our Exams Officer for the last year.

Miss Haring - who has taught Modern Foreign Languages here since last year.

Our thanks and best wishes go with all of them as they move on to pastures new.

Enjoy the Easter holidays!

It only leaves me to say that I hope you all have a very good Easter and that all of our students and staff come back with renewed energy ready for the Summer term.

Many thanks for your continued support,

Simon Liley,
Headteacher
