

PS524/25-26/SLI/KLA

Monday 22 June 2026

Dear Parent/carer

Further uniform flexibility this week:

In view of the fact that even higher temperatures have now been forecast for this week, we are going to offer all students some additional options for their uniform this week. They are welcome to choose any of the following as alternatives to their full normal uniform:

- Normal skirt/trousers with school shirt and no tie
- Normal skirt/trousers with Angmering PE Polo Shirt
- Full Angmering PE kit

We hope that this will allow all of our students to remain comfortable during the unseasonably hot weather this week. Please can we also remind all students to bring a refillable water bottle to school, and to drink small amounts throughout the day.

Kind regards,

The Angmering School
