

PS350/22-23/SLI/EWE
14th July 2023

Dear parents/carers and students,

As we near the end of term there are a few housekeeping notes and lots of thanks to communicate. Most importantly, thank you for your support over the course of this year. Having a strong link between home and school is essential for the success of your children. My sincere thanks also go to all of the school staff for their unstinting support, hard work and care. I may have said this before but I am extremely grateful for the excellent staff body who I get to lead every day.

Lastly (and very importantly) thanks to all of our students for their hard work and commitment to the school. I hope that they will all have an enjoyable summer and come back refreshed and ready for another great school year.

End of term arrangements (20th July)

Thursday 20th July is the last day for students this term. On this day the timetable will be as follows:

- START, period 1 and period 2 as normal
- Break/lunch between 10:55 and 11:30 (when students can access the Canteen for their lunch)
- Tutor time from 11:30 to 12:30
- End of school for students at 12:30

The Findon Bus will be picking up students at 12:30pm.

Alternative provisions have been made for students who get the Ferring Bus.

Start of term arrangements

Friday 1st September and Monday 4th September are both INSET days. We then have a slightly staggered start to allow Year 7 students one day to settle into the school before the rest of the students return. Year 7 students therefore start on Tuesday 5th September and all other years on Wednesday 6th. New Year 12 students will be signing up for their courses on 5th September, with their timetables then starting later in the week.

Collecting Exam Results (GCSE/BTEC and A Level)

A Level results will be available to students on **Thursday 17th August** and can be collected from the sixth form common room on that date between the hours of 9:00 and 11:00 a.m.

GCSE results will be available to students on **Thursday 24th August** and can be collected from the sixth form common room on that date between the hours of 9:00 and 11:00 a.m.

The Exams Officer has already sent details to all candidates about accessing results if they are unable to attend in person. Please contact Mrs Brown via dbrown@theangmeringschool.co.uk if you require further information about results collection.

Prom 2023

The wind subsided and the rain stayed away to make for the best arrivals we've had in years with a Love Island star, a batmobile, a helicopter and a fire engine to name just a few of the highlights. The students arrived in their finery and all looked sensational! A great night was had by all with lots of dancing, singing and over indulging in the chocolate fountain! Our Prom Royalty were voted for by the students as Aimee Green and Isaac Bligh. It was a pleasure to share such a special evening with you all and we hope you enjoyed yourselves as much as we did. Your photos will be up on the website www.francesnewmanphotography.co.uk soon so check them out!

Sports News

Well done to the Yr8 Rounders team who after winning their District semi final narrowly lost in the District Final today & finished Runners up of the U13 District League. Over the course of the season the Girls have come up against some tough opposition so to finish 2nd overall is a great achievement! Well done.

Year 7 Arundel Castle and Wetlands Trip

On Tuesday 4th July, our year 7 students had the amazing opportunity to visit Arundel Castle and the Arundel Wetlands Centre. It was an excellent day out that provided a unique experience for our pupils. At Arundel Castle, they were able to get hands-on with the History they have studied over the course of the year. They had a guided tour of the Castle by a specialist educator and experienced first hand what life was like in one of William I's oldest castles. It was an unforgettable experience for our students as they learnt about the rich history of the castle. At the Wetlands Centre, our students took part in a plastic pollution workshop, which was a great way to reinforce the learning they have had in their geography lessons. They also tried pond dipping, which was a fun and interactive way to learn about the ecosystem of the wetlands. It was an excellent day out that provided a unique and valuable learning experience for our students.

Road Closure

Water Lane will be closed between the junction of The David Wilson Estate and the junction of Weavers Hill. Small sections will be closed at a time to minimise impact to residents and Businesses. Work will start here on the 15th May 2023.

From the 19th June 2023 there will be traffic lights at the junction of Dappers Lane. This will enable Southern Water to complete the final stage of work safely without having to completely restrict access along Dappers Lane.

Traffic will still not be able to turn left out of the road towards the A280.

There will be a diversion in place. We have been provided with a map of the diversion from Southern Water
