

PS243/23-24/SLI/KLA

Wednesday 31 January 2024

Dear Parents/carers,

Along with all other secondary schools we have been asked to forward this message to all parents/carers within the Littlehampton, Angmering and Worthing area. Thank you as always for your support.

On Sunday, 28 January, a man's body was discovered in the street of Gladonian Road, Littlehampton. The circumstances of his death are being investigated. At this stage, police wish to reassure the community that this appears to be an isolated incident.

There has been information to suggest that a video involving the victim from the early hours of Sunday morning may be being passed around within the community.

If you have any knowledge of the video, or any information at all, then you should tell police immediately. It should not be shared publicly as it could jeopardise the investigation and may not be appropriate for young people to see. If you do not want to call the police, or you have any information that you think may help, please tell a teacher or member of staff.

You can contact police online, or by calling 101 and quoting Operation Sett. You can also contact the independent charity Crimestoppers anonymously on 0800 555 111 or report it online. www.crimestoppers-uk.org

We are working with Sussex Police and an update will be provided when possible.

Kind regards,

Mr Liley
Headteacher
