Re: Year 9 Science - Sex and Relationships Education

Dear Parent/Guardian,

During Science lessons Year 9 will study the following topics as part of their Sex and Relationships Education.

- ◆ Male and female reproductive systems
- ◆ Myths about pregnancy
- ◆ Attitudes to sex
- ◆ Contraception (including how to put a condom on)
- ◆ Sexually Transmitted Infections (including HIV and Chlamydia)
- ◆ Teenage pregnancy
- ◆ Understanding the effect pornography can have on relationships
- ◆ Alcohol

This programme will take place during the Spring term, after February half term. We expect all students to attend these lessons as they are part of the National Curriculum, however, if you require any further information regarding the programme please contact me as soon as possible.

Yours sincerely,

Miss L.Cox
Subject Leader Health
