

PS103/26-27/SLI

Thursday 1st October 2026

Dear Parents and Carers,

We are writing to inform you that the current Parent Governor election ballot has been closed with immediate effect as a third candidate's valid nomination was inadvertently omitted from the original ballot form. To ensure that the election process is completely fair, transparent, and compliant with governance procedures, we must reset the voting process.

Please note the following key changes:

- **Current Votes Null and Void:** All votes cast up to this point have been voided and will not be counted.
- **New Ballot Opens:** The updated ballot—including all three candidates—will open at **9:00 AM on Friday morning 2nd October** and **closes at 9am Thursday 15th October**.
- **Action Required:** If you have already voted, we ask that you please recast your vote using the new ballot form once it is available. If you have not yet voted, please submit your vote using the new form.

Full details on how to access the updated voting form will be sent out at 9:00 AM on Friday.

We sincerely apologise for this issue and for any inconvenience caused, and we thank you for your understanding as we ensure a fair election for all candidates.

Yours sincerely,

Simon Liley
