Dear Parents/Guardians

Y10 Trip to see Science Live! At the Dominion Theatre in London on Monday 5th February 2024

We are delighted to be able to offer our Year 10 students a trip to Science Live!

This amazing opportunity will give our students the chance to see and hear five of Britain's top scientists, all working at the cutting edge of their specialisms. The scientists are carefully chosen for their ability to communicate with students of this age in a direct and exciting way. The event will include top tips on examination success from an experienced science examiner.

- Scientists include - Professor Lord Robert Winston, Professor Alice Roberts, Dr Kate Lancaster, Dr Maggie Aderin-Pocock, Professor Andrea Sella as well as an examiner from AQA Stewart Cheney for tips on how to get improved grades

The trip is to take place on **5 February 2024** and the contribution for the trip is **£46**.

We will be leaving school by coach at 8.00am and plan to arrive back at Angmering School at around 6:00 pm.

Students are required to wear their normal everyday clothes, and bring a packed lunch.

To register your child's interest in this trip please complete this [Google form](#) by 29 September 2023.

If we receive more than **100** applications, places will be allocated by ballot. A list of students who have been unsuccessful will be kept and, if places subsequently become available, they will be again allocated by ballot.

You will be advised if your child is successful by w/c 2 October 2023 and details will be **put onto Parent Pay. Payment must be made 6 November 2023. This will be made up of 2 payments of £23. Please do not try to pay until you have confirmation that your child has a place on the trip.**

Please note that if your child is unable to attend the trip or withdraws from the trip once payment has been made, we will be unable to offer a refund unless we can find another student to take their place. Students must be on roll with the school in order to participate in the trip.

We must tell you that, as the school could not bear any of the costs of the trip without reducing its ability to provide the books and materials that are essential for its curricular needs, the trip cannot take place unless all parents who are able to are willing to contribute. If you would like your son/daughter to participate, but are unable to contribute the full amount, please contact me in confidence, in writing, by **Wednesday 27 September 2023**

Yours sincerely

Lindsey Cox
