

PS334/25-26/SLI/KLA

Monday 2 March 2026

Dear parents and carers,

Special Study Day - 27th March 2026

We would like to remind all parents/carers that there will be a Special Study Day on Friday 27th March (the last day of the Spring term). On this day Year 11 students will all work in school on a specialist exam preparation timetable. Years 7-10 will be provided with work to complete at home and submit via Google Classroom.

If you have a child in Years 7-10 please make sure that they are aware that they will be set work by each of their subject teachers which needs to be completed on this day and submitted via Google Classroom. Each piece of work will be 45-60 minutes long and students are expected to complete all of the tasks for the 5 lessons on their timetable that day. The tasks will aim to build on their existing skills and knowledge and will promote independence and creativity.

All year 12 students will be in school for our 'World Ready day' with outside speakers. Year 13 students with coursework to complete will be invited in, with other Year 13 students on independent study at home. Full details of the Sixth Form expectations will be sent to all parents/carers around two weeks before the study day.

Kind regards,

The Angmering School
