The Angmering School Student Bulletin Week 15

Monday

16th December

Career of the Week

Carpenters and joiners make and install wooden structures, fittings and furniture.

You can get into this job through:

- · a college course
- an apprenticeship

Career Progression

- With experience, you could become a site supervisor or construction project manager.
- You could also move into:
- construction estimating
- · contracts management
- a specialist area like stage sets or heritage restoration
- starting your own business
- training apprentices
- teaching at a further education college

College

You could take a college course like: Level 2 or 3 Diploma in Bench Joinery Level 2 or Level 3 Diploma in Site Carpentry T Level in On Site Construction

Apprenticeship

You could apply to do a Carpentry and Joinery Apprenticeship.
There are various levels and courses you can take and these can take up to 2 years to complete and combine on-the-job training with time at a college or training provider.

Day to day tasks

Depending on where you work, you could:

- discuss plans and job instructions with clients or site managers
- cut and shape timber for floorboards, doors, skirting boards and window frames
- make and fit structures like staircases, door frames, roof timbers and partition walls
- assemble fitted and free-standing furniture
- install kitchens, cupboards and shelving
- build wooden supports called shuttering which holds concrete that has not dried yet in place
- fit interiors in shops, bars, restaurants, offices and public buildings
- construct stage sets for theatre, film and TV productions

If you would like more information contact Mr Bowles (gbowles@theangmeringschool.co.uk)

Come and enter the Library's two festive competitions:

- Write a short story about how your favourite character would celebrate the festive season
- Draw a picture showing how you would dress a snowman to represent your favourite character

Entry forms available from the Library desk
Competitions close Wednesday 18th December at 2pm

Unscramble these 3 anagrams to find the Christmas songs

Monday 16th December

THE ULTIMATE GOAL are to eam

Year 9 students from The Angmering School had the pleasure this week of welcoming Love-local jobs, Jack the Lad and mentors from Legal and General into School for the third and final assembly.

Jack met with all Year 9s during his presentation talking about "The Ultimate Goal" which challenges students in the way they think about themselves, their future and their place in the world. The programme aims to provide students with the experience and tools to help them fulfil their potential.

After the event students were quoted saying:

"I loved the whole day"

"It was so inspiring and Jack made the assembly fun"

he was a child and how difficult it was for him

think about being kinder to people"

"I loved what Jack said about how everyone is clever at something and that we are not all the same"

We would like to thank Jack, all of the mentors from Legal and General and Lovelocaljobs for supporting our Year 9s and we look forward to seeing them again next year.
