- Year 11 Mocks (Day 6)

Tuesday 21st November

- Year 11 Mocks (Day 7)

Wednesday 22nd November

- Year 11 Mocks (Day 8)

Thursday 23rd November

- Year 11 Mocks (Day 9)

Friday 24th November

- Year 11 Mocks (Day 10)

2:1:2 Bells for Y11 Mocks this week (until 24th November)

All lesson times will remain the same until the end of period 3 when it will change to:

- 12:40 - 13:20 lunch (there will be a warning bell at 13:15).
- 13:20 - 14:15 period 4
- 14:15 - 15:15 period 5

Word of the Week

This week's word of the week is the prefix **astro**. It derives from Greek and can mean star, heavenly body or outer space. Words that include **astro** are **astrophysics**, **astro** turf, **astrolabe** and **astronomical**.

What other words can you think of that use **astro** and can you incorporate this into your teaching? A trickier task this week.

Road Safety Week 19th - 25th November

This annual event dedicates a week to raising awareness of key areas of road safety, such as the new hierarchy of the roads, the importance of visibility for cyclists, and the highway code.

Everyone's life matters on the roads

Nasal Flu Vaccinations

Year 7 - 11 Nasal Flu Vaccinations will be taking place on Monday 27.11.23.

All students will be given time slots via their tutors and must enter via the drama quad at the allotted time.

Lost Property

Please see the lost property list : [Lost Property](#)

The Angmering School - Student Bulletin Week 11

Dalek invasion in the Library.

Doctor Who needs your help and so do the Librarians! There has been an infestation of Daleks in the Library, but you can help defeat them by entering our prize competitions.

- Enter our fiendish fan fiction challenge and write a short story or play script about Doctor Who. Maximum 300 words. Don't forget to include your name and tutor group.
- Draw a new alien for the Doctor to meet - will they be a goody or a baddy?
- Show off your Doctor Who knowledge by mastering our monstrous quiz spanning sixty years of this terrific time-travelling adventure series.

All entries must be handed in at the Library desk by Wednesday 29th November.

The Brighton and Sussex Medical School Programme

Students in Year 10, 11 or 12 who have an interest in pursuing a career within medical or with the NHS please contact Mr Bowles for further details relating to

"The Brighton and Sussex Medical School programme" ..

This programme takes place in our 6th form and places fill up fast so please contact Mr Bowles for more details.

We're a Brighton and Sussex Medical School Hub school and would like to invite you to join in!

Brighton and Sussex Medical School, in collaboration with The Angmering School, are offering a comprehensive programme for students, in Year 10-13 across the local area, which aims to both explore students' interest in medicine, develop their understanding of the role of a doctor and provide advice and guidance on making a competitive application to medical school.

<p>Sessions included in the Hub School programme:</p> <p>Wednesday 29 November 2023: 4-5pm "Design a Pathogen" Suitable for: Year 10</p> <p>After discussing what pathogens are and what makes them "successful" in causing disease, we'll work together to design our very own. Having considered transmission style, microscopic characteristics and symptoms it'll cause, we'll then battle the pathogens against each other to find the ultimate super bug!</p> <p>Wednesday 6 December 2023: 4-5.30pm "Getting into Medicine" Suitable for: Years 11 and 12</p> <p>An interactive session where we'll explore the skills, attributes and knowledge needed to make a successful application to medicine and provide some pointers on how to go about developing these. We'll also consider various components of the application process including entry requirements, admissions tests and interviews.</p> <p>Wednesday 10 January 2024: 4-5.30pm "A Journey through the NHS" Suitable for: Years 11 and 12</p> <p>After giving a brief overview of the NHS and its core values, we will begin our journey with Mrs Beaton as she navigates our healthcare service. From an initial GP visit to further clinical investigations, treatment and finally palliative care, we'll explore what happens at every step of her journey and discuss which members of the healthcare team may be involved.</p> <p><small>Please note, this session will discuss topics of a potentially sensitive nature including cancer and death.</small></p>	<p>Wednesday 7 February: 4-5.30pm "Interpreting X-rays" Suitable for: Years 11 and 12</p> <p>This session explores the use of X-rays as a diagnostic tool in medicine. We'll learn how to read, interpret and present chest X-rays. Once the basics of presenting a "normal" chest X-ray have been mastered, we will look through a series of patient cases, discussing our findings and hypothesising about what might be going on inside their bodies!</p> <p>Date to be confirmed "Medical School Interviews" Suitable for: Year 13</p> <p>Hub Schools: How to get involved</p> <p>All sessions** advertised will be hosted The Angmering School and are planned to take place in person.</p> <p>If you have students that you think would like to attend one or more of these sessions, please contact Gavin Bowles via gbowles@theangmeringschool.co.uk for further joining details.</p> <p><small>**The Mock Medical School interviews will be held online via Zoom.</small></p>

The Angmering School - Student Bulletin Week 11

Rotary Young Artist Competition

Produce one finished 2D, unframed, piece of artwork based on the theme of 'Rebuilding' no larger than A2. It can be in any medium and includes photography.

Each entry needs a couple of sentences explaining it's links to the theme. Your work is looked at in different age ranges, so all have a chance of winning £150 plus the celebration of your artwork in a recognised exhibition. Visit this website and/or pop in to see Miss Wood who can help you with your application.

Applications need to be in by the 29th November at the very latest. To any of you who are wanting to submit work to this competition, can you please come and see Miss Wood with your chosen image on either Wednesday or Thursday to fill in the application form and send it off.

Rotary YOUNG ARTIST COMPETITION

Calling all young artists

Express yourself and share your creative talents by taking part in the annual Rotary Young Artist competition. (Up to the age of 17)
