Year 9 Parliament Trip

Year 9 students attended the Houses of Parliament trip on Wednesday 9th January. The students took in sights around Westminster and Parliament Square, before being given a guided tour of the Houses of Parliament. They went into the House of Lords, and then saw a debate in the House of Commons - some of which related to local issues for the students.

They then had a workshop about campaigning, looking at the example of the women's suffrage movement in the early 20th century - a topic they will be studying in their History lessons this year. Students impressed with their high level of engagement in issues that affect them. The students enjoyed this great opportunity to visit one of the world's most recognisable buildings.
