Word of the Week

This week's Word of the Week is the prefix **non**. **Non** as a prefix usually indicates a negative term and means not.

Examples include **nonsense**, nonexistence. There are many words that have **non** as a prefix, how many can you come up with? Get your teachers or tutors to award you credits for using the words in your written or verbal work.

School Open Mornings

A quick reminder that our school will be hosting open mornings for year 6 students on Tuesday 3rd, Wednesday 4th, and Thursday 5th of this week. It's important that we all be on our best behavior during these days, both in class and during changeover times. Remember to come to school wearing your full and correct school uniform and to represent our school in the best possible way.

Thank You

A big thank you to everyone who volunteered their time to help out during last week's open evening. Your dedication and hard work really made a difference and showed what amazing students we have at our school. Keep up the great work!
