Dear parents and carers,

The Angmering School has now joined **The Giving Lottery** as a registered good cause!

The Giving Lottery is a simple way for members of our community to support the school while having the chance to win cash prizes. Tickets cost just £1 per week, with 40% of every ticket purchased through our page coming directly back to the school and a further 20% donated to wider causes.

Each ticket has a 1 in 50 chance to win a prize each week, with a top prize of £25,000! There's a better chance of winning the jackpot than the National Lottery or the Health Lottery!

Fundraising plays an increasingly important role in helping us provide additional opportunities for our students. Funds raised through the lottery will be used to support projects across the school that benefit our young people.

If you would like to take part, or help fundraise, please

-  Buy a ticket yourself
-  Share the lottery with friends and family
-  Help us spread the word within the local community

Of course, participation is entirely voluntary, but every ticket sold helps generate additional funding for the school.

Please follow the link [here](#) for your chance to win!

Thank you for your ongoing support of our school community!

Kind regards,

The Angmering School
