

18 March 2022

PS177/22

Dear parents/carers and students,

### Current staffing levels and use of remote learning

As you will all be aware we have had a huge spike in the number of COVID infections among staff over the past 10 days. We had an average of 15 teachers and 9 support staff off each day this week, this led to the decision to engage remote learning for one year group per day in order to ensure safe supervision of students who remained in school. Sincere apologies for the disruption which this will have caused to your family life.

The current guidance still requires adults (who have tested positive) to have 2 negative lateral flow tests, 24 hours apart, before they can return to crowded workplaces such as a school. Many of the staff suffering COVID recently have had mild symptoms and have been able to continue doing work at home but this does not help as far as direct supervision of students in school is concerned.

Once again we thank you for your support and flexibility at this difficult time.

The students and staff have expressed a desire to raise funds to support the humanitarian efforts supporting the people of Ukraine. We have therefore agreed to run a **Day for Ukraine** on Friday 25th March. This will be a **full non-uniform day** with a request that all staff and students try to wear **blue and yellow** to show their support for Ukraine. A recommended (voluntary) donation of **£2 per student** can be given to tutors on the day itself. All money collected will go to the **Disaster Emergency Committee** which is coordinating the humanitarian efforts of 15 charities. If you would prefer to donate online please visit the official national donation page [here](#).

Many thanks for your continued support,

Simon Liley,  
Headteacher
