

1 April 2022

PS187/22

Dear parents/carers and students,

A quick COVID update

I am very pleased to say that our rates of COVID infection across the staff remain relatively low and we are still enjoying our more normal levels of staff attendance. Thank you to all of our families for your support over the previous weeks whilst we have been battling staff absences.

Year 11 GCSE exam preparation

There have been a number of questions asked recently regarding the plan for study leave for Year 11 students. For clarity; the main exams start in the week commencing 16th May (two weeks prior to half term). **All lessons will run as normal until Friday 27th May** (the end of next half term), with students only being out of lessons to sit their exams. There is no study leave prior to May half term break. From **Monday 6th June**, after the half term break, students will be on study leave and only attending school to take exams.

Social Media and our NEW Website

If you do not already follow our school Facebook page I would encourage you to do so. It is full of up to date news about events from the school and local community. You can find us on Facebook as 'The Angmering School' - do follow the feed. We can also be found on Instagram @angmeringschool where you can find images of our day to day school life.

Most importantly we now have a NEW website! The address remains the same (www.angmering.school.co.uk) but there is a completely new structure and lots of new content. Here are some of the new elements which you may want to have a look at:

Subject areas:

[Subject areas](#)

If you look at each subject page you can find the 'Curriculum Journey' for the subject which will tell you what your child studies in each year and how the topics build into a whole curriculum from Year 7 to Year 13.

Alumni:

[Alumni](#)

These are really interesting videos provided by some recent ex-students, where they explain what they have been doing since leaving us.

New school map:

[School Map](#)

This is a much clearer map of the school campus than we have had previously.

School Interactive Map calendar and letters:

[Calendar](#)

[Letters](#)

We hope that these pages will make finding that key information about forthcoming events easier.

Clubs and fixtures:

[Clubs and fixtures](#)

Details of the current extra-curricular offer for students.

Absence requests:

[Absence requests](#)

Please complete an absence request form for any term time absences other than those due to illness.

Angmering Sixth Form College:

[Angmering Sixth Form](#)

As before our Sixth Form College has a dedicated website area for students and parents/carers to find out more about our excellent offer.

As always, if you have any feedback on the new website we would be delighted to hear from you (positive or negative). It was designed with you in mind so we are hopeful that you will find it to be a vast improvement on the old site.

Many thanks for your continued support,

Simon Liley, Headteacher
