

20 May 2022

PS227/22

Dear parents/carers and students,

Year 11 GCSE Exams

Well done to all of our Year 11 students on an excellent start to their GCSE and BTEC exams this week. Their conduct and effort have both been excellent and we are really proud of them all. As a minor point, we would appreciate your support in reminding your child that they need to come to all exams with the required equipment and that mobile phones must be switched off and left in the designated area outside the exam rooms.

A special thanks needs to go to those staff who are getting up especially early to provide breakfasts for many of our Year 11 students, a very kind gesture which is helping to set students up for their morning exams.

Please let us know if there is anything extra we can do to support your child at this crucial time.

End of year assessments for Years 7, 8, 9 and 10

As was outlined in the recent letter from Mr Whatford we will be running end of year assessments for all students in years 7 to 10. These are an important element in checking students' progress and informing future planning for teachers. The assessment windows for each year group are:

- **Week 33** (23rd May) and **week 34** (6th June) for Year 9.
- **Week 35** (13th June) for Year 8.
- **Week 36** (20th June) for Year 7.

English, maths and science assessments for **Year 9** will take place in the exam halls but all other assessments will be completed within normal lesson times.

Year 6 Transition

Miss Pegden, Mrs Knox and the other members of the Headship Team have really enjoyed meeting children and families for the initial online transition meetings. These are a great chance to find out more about the children in order to support their successful move. Mr Jenner is currently finalising the plans for the two Year 6 activity evenings (Tuesday 7th June and Thursday 16th June 5.30-7.30pm), details have been emailed out to families. You can book via our website. [Booking form](#). These are a great chance to start forming new friendships whilst having fun. We are really looking forward to seeing students there!

End of term

Whilst it is a little way off yet it is worth reminding all students and parents/carers that the summer term for students will end on **Wednesday 20th July** this year (at 12:30). Thursday 21st July is an INSET day for staff. This is a change to the original schedule due to the Queen's Jubilee celebrations.

Many thanks for your continued support,

Simon Liley, Headteacher
