

25 March 2022

Dear parents/carers and students,

A quick COVID update

I am very pleased to say that our rates of COVID infection across the staff have now significantly reduced and we are enjoying our more normal levels of staff attendance. Thank you to all of our families for your support over the last couple of weeks whilst we have been battling staff absences.

Today is our Day for Ukraine - Friday 25th March

As you know today is our Day for Ukraine which came about following requests from students and staff that we directly support the humanitarian efforts in Ukraine and surrounding countries. All money collected will go to the **Disaster Emergency Committee** which is coordinating the humanitarian efforts of 15 charities. If you were not able to send your child in with a cash donation today and would like to donate online please find the link [here](#).

Arun Youth Community Awards (sponsored by the Rotary Club)

I am delighted to announce that three of our students' efforts were recognised at the Arun Youth Community Awards on Wednesday evening. The awards recognise the positive contribution of young people to their local community. Nominations can come from family, friends, school staff or local youth organisations. This year awards were presented to Tristan Armstrong (Year 11), Jaime Doherty (Year 11) and James Walpole Bunting (Year 9). All three awards were thoroughly deserved and we are incredibly proud of Tristan, Jaime and James for representing young people in our local area so positively.

Our new website is about to arrive....

Please keep an eye on our social media feeds and messages next week as our new website is about to go live! As always we would welcome any feedback once you have had a chance to engage with it.

Many thanks for your continued support,

Simon Liley,
Headteacher
