

29 April 2022

PS201/22

Dear parents/carers and students,

### **New expectations relating to COVID cases**

We have had a number of questions this week regarding the expectations when a child has COVID. The current guidance for schools is not as helpful as previous versions but in essence outlines the following expectations:

- If your child is exhibiting COVID symptoms (high temperature, sore throat, cough, sneezing, aches) please keep them at home and consider using a Lateral Flow Test to confirm whether they have the COVID-19 virus
- If the test confirms COVID-19 they should stay at home and avoid contact with others for at least 5 days
- If after 5 days they are feeling well enough they can return to school. Ideally this should be confirmed with a negative Lateral Flow Test result before they return

We appreciate that the fact that Lateral Flow Tests are not free anymore makes the process of managing a potential COVID infection more difficult but appreciate your support in helping to keep our students and staff safe.

### **Year 10 boys' football success**

I am delighted to announce that following a hard fought final against Sir Robert Woodard Academy our Year 10 boys football team were crowned District Champions this week. The team had to come from behind in the final and showed great skill and determination, particularly in the second half, eventually winning by 7 goals to 2. Congratulations to all of the students and staff involved.

### **Year 11 GCSE exam preparation**

This is just a further reminder that the main exams start in the week commencing 16th May (two weeks prior to half term). **All lessons will run as normal until Friday 27th May** (the end of this half term), with students only being out of lessons to sit their exams. There is no study leave prior to May half term break. From **Monday 6th June**, after the half term break, students will be on study leave and only attending school to take exams.

### **Angmering Bowl - increased Police presence**

Following an increase in concerns over anti-social behaviour in the area of the Angmering Bowl (in Mayflower Park by the Bramley Green estate) the Police have asked us to inform our students that there will be an increase in Police patrols in this area, including plain clothed officers. They ask that residents report any concerns regarding criminal activity in the park by phoning 101 or using the [Sussex Police website](#). If there is immediate risk to people or property please dial 999.

Many thanks for your continued support,

Simon Liley,  
Headteacher
