

6th May 2022

PS208/22

Dear parents/carers and students,

Year 6 Transition

Miss Pegden, Mrs Knox and members of the Headship Team have really enjoyed meeting children and families for the initial online transition meetings this week. These are a great chance to find out more about the children in order to support their successful move. Mr Jenner is currently finalising the plans for the two Year 6 activity evenings (Tuesday 7th June and Thursday 16th June 5.30-7.30pm), details are being emailed out to families later today. These are a great chance to start forming new friendships whilst having fun. We are really looking forward to seeing you all there!

Year 7 Consultation Evening

We are delighted to be holding the Consultation Evening for parents/carers of Year 7 students on Tuesday 10th May. The event will run on School Cloud, a purpose built online video conferencing platform. You should already have received details and been able to set up your appointments with your child's teachers but if you have had any issues please contact any member of the pastoral team who will be happy to help.

Year 8 Reports

Year 8 Progress Reports will be coming home shortly via email. The reports are in a new format and we would welcome any feedback from parents/carers on the style, content and usefulness of the reports. Please send any comments to office@theangmeringschool.co.uk marked 'Feedback on reports'. Thank you.

Year 11 GCSE exam preparation

This is just a further reminder that the main exams start in the week commencing **16th May** (the week after next). **All lessons will run as normal until Friday 27th May** (the end of this half term), with students only being out of lessons to sit their exams. There is no study leave prior to May half term break. From **Monday 6th June**, after the half term break, students will be on study leave and only attending school to take exams.

All students have their own personalised exam timetable and will be provided with plenty of guidance from their teachers on what they need to know and be able to do for each exam paper. If they need any additional guidance or support please encourage them to contact their teachers directly via email, google classroom or in person.

Students have been reminded that when they go into any exam they must abide by the following rules:

- Wear full school uniform
- Keep your stationery items in a clear plastic bag or clear plastic pencil case
- Leave **mobile phones** and **smart watches** outside the exam hall (with phones switched off or on silent)

If a student tests positive for COVID prior to an exam but feels well enough to sit the exam please notify the school as soon as possible. We will arrange for them to sit the exam in a safe place away from the other candidates.

All of the staff here wish both Year 11 and Year 13 the very best for the forthcoming exams. We know that their hard work will reap rewards.

Many thanks for your continued support,

Simon Liley,
Headteacher
