

Friday 22nd  
September

Dear parents/carers and students,

I am delighted to say that the positive start to term has continued and both students and staff are doing great work around the school. I and the rest of the senior team do regular Learning Walks through subject areas and we have been very impressed with the level of calm focus and engagement this term. Thanks must go to all of the staff and students for their positivity and effort.

### Thursday 28th - Early finish for students due to Open Evening

On the evening of Thursday 28th September we will be opening our doors to prospective students and their parents/carers as we run our annual Open Evening. As is our normal practice we will therefore be finishing the normal school day at lunchtime (13:35) to allow staff and students to prepare. The Findon bus has been rescheduled for 13:40 and we will put on a mini-bus to take students who normally use the Ferring bus home.

If you have friends with children in Years 5 or 6 please direct them to the school website for further details of how they can book onto one of the Open Evening tours or onto an Open Morning tour the following week. Thanks in advance to all of the staff and students who support this event and make it such a positive evening.

### A request from the Children's Commissioner

We recently received the following message from Dame Rachel de Souza, Children's Commissioner for England:

*"As we approach the General Election, I am clear that it is a crucial moment to take children and young people's voices to policymakers and the Government, to make sure they are heard.*

*That is why, through 'The Big Ambition' survey I want to hear from children and young people about their schools, communities, family life, and the wider world. I am also asking what they want for their future, their hopes, dreams, and aspirations.*

*This survey is for all children and young people aged 0 to 18. Children aged 6 to 18 can complete the survey themselves. For those who may need additional support or for children under six parents and other adults can complete the survey on their behalf. Please click [here](#) to complete the survey. Thank you for providing your voice!"*

### Limiting vehicle access to the site to ensure students' safety

As was the case throughout last year we do not allow parents/carers to drive their vehicles onto the school site during drop off or pick up times. The only exception to this is for children with physical disabilities which make it significantly difficult for them to make their own way in from Greenwood Drive or Bramley Green. All eligible parents/carers should have yellow permits to display on their dashboards or in their windscreens. The LNC team will continue to manage the allocation of these permits and will be happy to help new parents/carers who wish to apply for one.

If your child does not fall into this small group you need to drop your child in the surrounding area so that they can walk onto the school site. This will ensure we minimise on-site traffic, increasing safety and maintaining access for buses and emergency vehicles.

### Uniform and equipment reminder

Many thanks to all those parents/carers who support their children by ensuring that they come to school each day with all of the required equipment. Most children have returned to school well equipped but a few continue to arrive missing some vital equipment. In particular all children should bring with them each day:

***A pencil case, calculator (scientific), ruler, protractor, set square, set of compasses, black/blue pens (4), purple pens (2) (for correcting or improving their work), pencils (4), an eraser, glue stick and their standards card.***

In terms of uniform, once again, the vast majority of students are in perfect uniform every day but there are a few minor issues which we would appreciate your support to eradicate:

- Students should wear either socks (plain black, grey or white) or tights (black) but **NOT** both. All socks should be plain and without logos.
- Skirt lengths should **not** be altered from those provided by the uniform supplier. If they are shortened you may be asked to replace the skirt with a correct length one at your own cost.
- Shoes need to be black leather or leather look (able to be polished), must not bear any sports brand logos and must **NOT** be trainers.

Thanks for your continued support,

Simon Liley, Headteacher

## Year 9 London Embankment Trip

On Tuesday 19th September, Year 9 visited the London embankment on a joint History and Geography trip. They explored the Sea life centre, learning more about the Geography of the coastline ecosystem and the impact of plastic and climate change on our seas. They then spent some time exploring the Southbank, taking in views of historically significant buildings and the river Thames. Lastly it was time to head to the London Dungeons, to get a hands-on experience of the gruesome History of London.

### Reporting Procedure for Absences

- All absences must be reported to the attendance teams only, no later than 8.30am and a reason must be given. Absences that are not reported by 8.30am and are also without a reason will be marked as unauthorised.
- All absences are to be reported to the attendance teams only using the correct contact details provided above, any absences reported to other members of staff may not be received in the attendance office and therefore may be unauthorised.
- If your child has a sickness bug we ask that they remain off school for 48 hours from the last episode of sickness, if your child attends school before this time period they will be sent home. This is to prevent the spread of illness across the year groups.
- We expect your child to attend school on occasions such as period pains, feeling sick (without being sick) and headaches unless they have supporting medical evidence.
- Covid – if your child has tested positive for Covid and feels unwell we ask that they remain off school for 3 days from the date of the positive test. They can then return to school on day 4 without a negative test providing they feel well enough to attend.
- All medical appointments should be booked after school and in school holidays wherever possible. Any absence for a medical appointment without evidence, i.e. appointment card, appointment text and hospital appointment letter will be marked as unauthorised.
- Students are expected to come into school before and after their appointments unless agreed otherwise, please give the attendance team 24 hours' notice of medical appointments.
- We are unable to authorise holidays in term time; this is in line with West Sussex and government guidance. All exceptional circumstances requests must be submitted with an absence request form available from the Attendance Team or via the school website and requested in advance of the absence. Any absence not requested correctly will be marked as unauthorised.

## Should I keep my **child off school?**

### Every School Day Counts

Every single day a child is absent from school equates to a day of lost learning. Attendance percentages can be misleading.

100% Attendance	0 days missed	Excellent
97% Attendance	5 days of Absence , 1 week of learning missed	Good
95% Attendance	9 days of Absence , 1 week and 4 days of learning missed	Satisfactory
90% Attendance	19 days of Absence , 3 weeks and 4 days of learning missed	Poor
85% Attendance	28 days of Absence , 5 weeks and 3 days of learning missed	Very Poor
80% Attendance	38 days of Absence , 7 weeks and 3 days of learning missed	Unacceptable

For some parents, 90% may seem like an acceptable level of attendance, but the reality is that 90% attendance means that your child will miss half a school day each week, or 19 days of school during the school year – that's nearly 4 school weeks every year.
