

Friday 3rd
November

Dear parents/carers and students,

As we welcomed the children back after a well earned break we were so pleased to see the efforts our students continue to make with their uniform, and it's great to see them return with a renewed vigour in class. We thank you for playing your part in this too.

We are incredibly grateful that although the stormy weather brought about some heavy rain and strong winds we remained open and kept the students warm, dry and safe. As the weather worsens please do ensure that your child has adequate outwear.

This half term we start to look forward to the upcoming festivities, further details of which will be sent out next week.

Year 10 Consultation Evening - we are face to face again

We are delighted that we are able to return to face to face Consultation Evenings this year, starting with the Year 10 event on 15th November. Parents/carers will receive details next week of how to make the appointments. All of the teachers will be located in classrooms in the F-block rather than the Canteen as we are hoping that this will provide a more convivial environment for the conversations. If you are a Year 10 parent/carer and have any questions please contact Mrs Hook.

Year 11 Mock Exams

Another reminder that the Mock Exams will run from **Monday 13th November through to Friday 24th November**. Normal timetabled lessons will run alongside the exams and students will attend all of their normal lessons when not in an exam.

If any student needs additional support with their revision they should speak to their tutor or any of their subject teachers, they will be happy to help.

Mock exams are very important because they allow students to experience using their skills and knowledge under exam conditions and provide teachers with vital information about students' strengths and areas for improvement which informs their lesson plans going forward.

Limiting vehicle access to the site to ensure students' safety

As was the case throughout last year we do not allow parents/carers to drive their vehicles onto the school site during drop off or pick up times. The only exception to this is for children with physical disabilities which make it significantly difficult for them to make their own way in from Greenwood Drive or Bramley Green. All eligible parents/carers should have yellow permits to display on their dashboards or in their windscreens. The LNC team will continue to manage the allocation of these permits and will be happy to help new parents/carers who wish to apply for one.

If your child does not fall into this small group you need to drop your child in the surrounding area so that they can walk onto the school site. This will ensure we minimise on-site traffic, increasing safety and maintaining access for buses and emergency vehicles.

Bonfire Night Safety for Students

Bonfire night can be an exciting time, but it's important to make sure you stay safe. Here are some tips to keep in mind:

- 1- DO stand far away from both the bonfire and fireworks.
- 2- DO light only one sparkler at a time and do so at arms length.
- 3- DO only use sparklers if supervised by an adult.
- 4- DO keep your pets inside during bonfire night.
- 5- DO keep a bucket of water ready for emergencies.
- 6- DON'T go near a firework after it has been lit.
- 7 - DON'T go near a firework after it has gone off, leave it for an adult to clean up.
- 8 - DON'T attempt to purchase fireworks, it is illegal to sell fireworks to anyone under 18 years old.
- 9- DON'T create a bonfire that is in the way of things such as trees or buildings.
- 10- DON'T light fireworks after 11pm as this is illegal.

Remember, it's always better to be safe than sorry. Have a happy and safe bonfire night

Thanks for your continued support,

Simon Liley, Headteacher

Student News

A World Champion in our midst....

I recently shared the exciting news that Georgie Crossman (one of our Year 7 students) was due to represent England at the K1 Kickboxing World Championships in Germany. I am delighted therefore to tell you that Georgie took Gold and Bronze medals after multiple fights, and left Germany the -45kg k1 world champion after defeating many opponents to become champion.

As you can imagine the 3 days of competition were extremely tough and involved many bouts. Georgie was one of 38 competitors in the under 45Kg weight category and now stands as the reigning champion. We are all incredibly proud of his achievement and wish him all the best for future competitions.

- All absences must be reported to the attendance teams only, no later than 8.30am and a reason must be given.
- Absences that are not reported by 8.30am and are also without a reason will be marked as unauthorised.
- All absences are to be reported to the attendance teams only using the correct contact details provided above, any absences reported to other members of staff may not be received in the attendance office and therefore may be unauthorised.
- If your child has a sickness bug we ask that they remain off school for 48 hours from the last episode of sickness, if your child attends school before this time period they will be sent home. This is to prevent the spread of illness across the year groups.
- We expect your child to attend school on occasions such as period pains, feeling sick (without being sick) and headaches unless they have supporting medical evidence.
- Covid – if your child has tested positive for Covid and feels unwell we ask that they remain off school for 3 days from the date of the positive test. They can then return to school on day 4 without a negative test providing they feel well enough to attend.
- All medical appointments should be booked after school and in school holidays wherever possible. Any absence for a medical appointment without evidence, i.e. appointment card, appointment text and hospital appointment letter will be marked as unauthorised.
- Students are expected to come into school before and after their appointments unless agreed otherwise, please give the attendance team 24 hours' notice of medical appointments.
- We are unable to authorise holidays in term time; this is in line with West Sussex and government guidance. All exceptional circumstances requests must be submitted with an absence request form available from the Attendance Team or via the school website and requested in advance of the absence. Any absence not requested correctly will be marked as unauthorised.

The Angmering School Attendance Overview

Every single day a child is absent from school equates to a day of lost learning. Attendance percentages can be misleading

100% Attendance	0 days missed	Excellent
97% Attendance	5 days of absence , 1 week of learning missed.	Good
95% Attendance	9 days of absence, 1 week and 4 days of learning missed.	Satisfactory
90% Attendance	19 days of absence , 3 weeks and 4 days of learning missed.	Poor
85% Attendance	28 days of absence, 5 weeks and 3 days of learning missed.	Very Poor
80% Attendance	38 days of absence, 7 weeks and 3 days of learning missed	Unacceptable

For some parents, 90% may seem like an acceptable level of attendance, but the reality is that 90% attendance means that your child will miss half a school day each week, or 19 days of school during the school year – that’s nearly 4 school weeks every year.
