\*CHANGES AND UPDATES WILL BE SHOWN IN BOLD

Welcome back everyone and happy New Year!

We hope you had a relaxing and fun Christmas break and are feeling refreshed, recharged, and ready for the term ahead.

As we return to school and settle back into routine, it's the perfect time to reconnect with friends, refocus on goals, and embrace the new opportunities this term will bring. We're excited to see the energy, creativity, and commitment you bring with you.

Wishing you all a positive, productive, and successful start back — we're so pleased to have you here and look forward to a great term together.

### YR 11 CONSULTATION EVENING

School will finish for students at 13.35pm on Thursday 8 January.

Students who use the Findon bus will be collected at 13.35pm at the front of the school.

Students who normally use the Compass Bus service (Ferring) have been asked to meet at the front of the school and they will be dropped off at Ferring Library by members of our team.

## CAREER OF THE WEEK

# Radiographer

**RADIOGRAPHERS TAKE SCANS OF PATIENTS TO DIAGNOSE AND TREAT ILLNESSES AND INJURIES**

### YOU CAN GET INTO THIS CAREER BY:

- a university course
- an apprenticeship
- working towards the role

### CAREER PROGRESSION:

With experience, you could become a sonography specialist, radiography team leader or consultant practitioner.

You could also take further qualifications to specialise in:

- counselling and palliative care
- the use of certain techniques or equipment
- working with specific groups of patients
- research and teaching

### UNIVERSITY

You'll need to do a degree or postgraduate qualification approved by the Health and Care Professions Council to become a radiographer.

Your choice of degree course will depend on whether you want to work in diagnostic or therapeutic radiography.

You may be able to take a fast-track postgraduate qualification over 2 years if you're a health professional or have a relevant degree.

Extra student financial support may be available through the NHS Learning Support Fund.

### APPRENTICESHIP

You may be able to do a Diagnostic or Therapeutic Radiographer Level 6 Degree Apprenticeship.

This takes a minimum of 36 months and is a mix of learning in the workplace and academic study at an approved university.

### DAY TO DAY YOU COULD:

As a diagnostic radiographer, you could:

- interpret images of the body to diagnose injury and disease
- screen for abnormalities
- take part in surgical procedures like biopsies

As a therapeutic radiographer, you could:

- work closely with medical specialists to plan treatments
- use x-rays and other radioactive treatments
- assess and monitor patients through treatment and follow-up appointments

FOR FURTHER INFORMATION, PLEASE CONTACT GAVIN BOWLES (GBOWLES@THEANGMERINGSCHOOL.CO.UK)

## FIRST AID REMINDER

Our First Aid room is located in B14 and can be accessed at break and lunchtime.

Should you injure yourself or feel unwell during or between lessons, please let your teacher know and they will contact a member of the on call team to come and see you in your classroom.

### EXCEPTIONS - COME STRAIGHT TO FIRST AID

- You are bleeding
- You have a head injury
- You have physically vomited

**PAIN RELIEF  
CAN ONLY BE  
GIVEN BETWEEN  
12PM - 2PM**
