Last Thursday we held our open evening for Year 6 students and their parents to come and visit our school. The evening was a huge success and we want to say a massive thank you to everyone who played a part and helped.

This week, everyone can help!

On Tuesday, Wednesday and Thursday mornings this week, we will once again be opening for prospective students and parents to come and have a look around and see our amazing school and all of our fabulous students in action.

They will be visiting classrooms and looking around so please just be mindful both in and out of the classroom and help us to show people why they should choose our school.

OUT OF BOUNDS TRIP

If you're going on the trip, please try to arrive at school for **8.30am** and make your way straight to the Sports Hall for registration and to get into your groups ready to walk to Out of Bounds.

Remember to wear PE kits and trainers/appropriate footwear for a day full of exciting activities.

Please wear long hair tied back and remove any jewellery and remember to bring lunch, drinks and a coat just in case.

CAREER OF THE WEEK

Crime Scene Investigator

SCENES OF CRIME OFFICERS (SOCOS) FIND, RECORD AND RECOVER EVIDENCE FROM CRIME SCENES.

YOU CAN GET INTO THIS CAREER BY:

- a university course
- working towards this role
- applying directly

CAREER PROGRESSION:

With a minimum of 2 years' experience as a Tier 1 investigator, you could apply to move onto Tier 2 training.

Once you've finished Tier 2 training, you could become an advanced practitioner, dealing with major crimes.

After a further 5 years, you could become a senior or principal officer, with responsibility for managing a crime scene investigation (CSI) team. You could also use your skills and experience to go on to become a forensic scientist.

UNIVERSITY

You could do a degree accredited by The Chartered Society of Forensic Sciences. You could then join a scenes of crime training programme.

Subjects include:

- forensic science
- applied science
- criminology
- chemistry
- biology

DIRECT APPLICATION

You can apply directly to a police force to join as a trainee scenes of crime officer. Each force sets its own entry requirements but you might need one or more of the following:

- 5 GCSEs at grades 9 to 4 (A* to C) including maths, English and a science subject
- a minimum of 2 A levels or equivalent qualifications
- experience of working in the police service
- a willingness to work long and unsocial hours

Initial training can take between 6 and 12 months.

DAY TO DAY YOU COULD:

- attend crime scenes and other major incidents
- preserve and protect the investigation area
- record scenes and potential evidence using photography and video
- gather fingerprints, hairs, fibres and other materials
- find, record and recover evidence like blood and DNA samples
- keep written records and update information systems with evidence details
- produce crime scene reports and give evidence in court

SAY HELLO TO OUR NEW MINIBUS!

Miss Webb and a group of LNC students travelled to Surrey on Monday 22nd September 2025 to collect our new mini bus from The Summerscale Foundation as part of the Variety Golf Organisation.

We were warmly welcomed and looked after by Zak and Angie, thank you. This wonderful charity donated 3/4 of the cost of the mini bus and The LNC Trust, with help for our parents, was able to fund the rest.

This is an essential asset for the LNC and will allow the students to take part in many extracurricular activities over the next few years.

With our deepest gratitude, Natalie Webb and the students of the LNC.

Dare TO DREAM

Year 9 students had the pleasure this week of welcoming Jack "The Lad" Hayes of Heart FM and More Radio Fame and mentors from Legal and General into School.

Five employees from Legal and General who sponsor the event mentored a number of our Year 9 students while Jack met with all Year 9s during his assembly.

The Dare to Dream programme is aimed at challenging students in the way they think about themselves, their futures and their place in the world. The programme aims to provide students with the experience and tools to help them fulfil their potential by using themes of self awareness, mindset, gratitude, resilience, teamwork and employability. Jack and the mentors will be using their own life experiences and extensive knowledge to drive and motivate all of our Year 9 students.

We would like to thank Jack, all of the mentors from Legal and General and Lovelocaljobs for handing our Year 9s this experience and we look forward to seeing them all again in October.

"I loved the whole assembly and Jack made it fun!"

"I really loved it when Jack was talking about respect and being kind."

"It was so inspiring!"

"I loved what Jack said about how everyone is clever at something and that we are not all the same."

"Listening to Jack talking about when he was a child and how difficult it was for him was so helpful for me because sometimes things are difficult for me."

"Listening to Jack has helped me think about being kinder to people."
