3/11/2025 BACK TO SCHOOL

*CHANGES AND UPDATES WILL BE SHOWN IN BOLD

As we reach the first half term of the school year, it's a great time to pause and reflect on how far we've come.

The past few weeks have been full of energy, learning, and new experiences — from settling into new classes to tackling fresh challenges. Whether it's been mastering a tricky topic, trying something new in clubs and activities, or simply finding your rhythm again after summer, everyone has achieved something worth celebrating.

Half term is the perfect opportunity to take a well-earned break. Use this time to rest, recharge, and maybe even catch up on the things you enjoy outside of school. When we return, we'll be ready to take on the next part of the term with renewed focus and enthusiasm. Well done to everyone for your hard work and positivity so far — you've made a fantastic start to the year!

CAREER OF THE WEEK

ANIMATORS BRING DRAWINGS AND COMPUTER
GENERATED CHARACTERS TO LIFE ON SCREEN

Animator

YOU CAN GET INTO THIS CAREER BY:

- a university course
- a college course
- an apprenticeship
- working towards this role
- specialist training courses

CAREER PROGRESSION:

With experience, you could:

- become a lead animator or animation director
- work for a large animation studio, games developer, interactive media design business or video post-production company
- become a freelance animator
- open your own animation studio

UNIVERSITY

You could do a foundation degree, higher national diploma or a degree in:

- animation
- art and design
- computer games development
- animation production
- visual effects

You may have an advantage when looking for jobs if you choose a course that includes a work placement.

COLLEGE

You could do a college course to get some of the skills you'll need to become a trainee animator.

Courses include:

- creative and digital media
- games, animation and VFX skills
- creative art and design

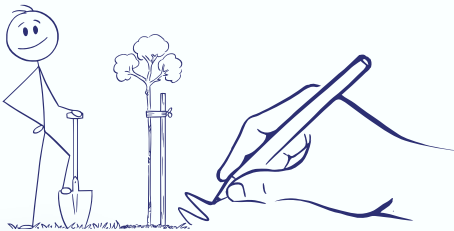

APPRENTICESHIP

You could apply to do a higher or degree level apprenticeship with a production studio, such as:

- Junior Animator Level 4
- Junior VFX Artist or Assistant Technical Director Level 4
- VFX Artist or Technical Director Level 6
- Storyboard Artist Level 7

DAY TO DAY YOU COULD:

- discuss instructions from the storyboard artist and animation director
- visualise how to animate storyboard and script ideas
- create characters and scenes by hand or using animation software
- add lighting, shading, colour, texture and special effects
- use motion capture methods to create expressions and lifelike movements
- use stop-motion techniques to film physical 3D models
- combine several layers of animation to create the final production

Riddle TIME

My first is in dare but never in fear,
My second's in dark and also in clear,
My third a shadow as well as in cave,
My fourth is in gold and also in grave,
My fifth is in cold as well as in hot,
My sixth is in sun but not in spot,
My whole enjoys a fiery feast,
Look and discover a mythical beast!

What am I?
