Dear parents and carers

[Moving onto Angmering Issue 6](#) is now online. It contains information on our canteen and Parent Pay. I have received a few queries about there being Gluten Free Options in the canteen. There are. Students need to make themselves known to the servers in the canteen and they will guide them to what is available to them.

Parent Pay passwords and logins will be emailed to you in July.

I hope everyone enjoyed the enrichment evening last Wednesday and the opportunity to meet other parents for a cup of tea.

Don't forget to download the MCAS app and give your consents if you have not yet done so. This will allow you to make changes to the information which has come from the primary school and give the consents we need for September. The app will only allow you to make changes once. Any changes you need to make after this will then need to be sent to the year team administrators to make for you. . [attendance@theangmeringschool.co.uk](mailto:attendance@theangmeringschool.co.uk)

**Induction day reminders** : Wed 1st July Full details were given last week in our weekly email and are on the [website](#) if you need fuller details.

There will be ambassadors to walk students around to the front of school.

**Bring coloured pencils** : It would be helpful if students could bring some coloured pencils with them on induction day please.

**Lunch** will be either a packed lunch or bring cash for the canteen. £3 is a guide and cash will be accepted. There is no access to the canteen at break so please bring a bottle of water and a snack. A Free School Meal will be provided for students who have this at their primary school at lunchtime.

£3 is a suggested sum to take to spend.. Water bottles are available for 70p or £1. The canteen will be offering pizza and wedges. There will be a vegetarian option. If you wish to order a gluten free or dairy free meal please do let me know so we can ensure these are available for your child. Please let me know by Monday.

**Medications:** Students must carry and be responsible for any emergency medication they may need, such as EpiPens, insulin, and inhalers. However, other medication must be handed in to me at the gate on arrival. These will be securely stored and can be collected from Reception at the end of the day.. Please note we must have [a signed consent form](#) for all prescription medication. The medication must be in the packaging with the prescription label.

**Parents Evening :** Wed 1st July: This will run from 6pm. Please arrive promptly and make your way to the canteen (there will be guides).
