

Thursday 30 April 2026

Dear parents/carers

In a couple of weeks we will start sending home our weekly newsletters to you. Lots of information regarding the school. We hope you will find them useful.

Our school visits start next week so Mrs Fillery is looking forward to meeting the students.

A reminder of our two enrichment evenings : **Thursday 4th June and Wednesday 17th June 5-7pm**. All the details are on our website. Don't miss out! My apologies for last week giving a link to last year's evenings. I confirm these are the correct dates and this is the [correct booking link](#). A few of you have booked on the old form so I have emailed you directly with this link to fill out the correct booking form. Any queries, just let me know.

Phone calls home will be made shortly to those who have requested them via the **Y6 TransitionDataCollection Form** Not too late to book them.

Tutor Groups: Your child's tutor group will be a big part of their school life – they'll be with the same group of students for the next five years, so it's really important that we get the mix right.

To help us do this, we talk to the Year 6 teachers to find out who the students work well with and how they learn best. We also look at other helpful information, like attendance and learning behaviours, to make sure we're creating groups where everyone can feel comfortable, supported, and ready to succeed.

We know how important it is to have familiar faces around . We want to help students grow in confidence, meet new people, and build friendships that will last throughout their time at Angmering.

Because of how carefully we put the tutor groups together, we ask parents and carers not to make requests about who should or shouldn't be placed together. We really appreciate your understanding and trust in this process.

Best wishes

Fiona
