

Thursday 7 May 2026

Dear parents/carers,

I hope you have all had a good week.

Next Thursday we will be sending home the first of our weekly newsletters to you. Lots of information regarding the school. We hope you will find them useful. Look out for this each week till the end of term.

Our headship team phone calls have started where you requested a phone call home via the Data Information Collection form. I hope you are finding them useful. If you miss the call Headship will try again to get in contact with you, you do not need to call the school.

The booking system to request a call is now closed.

We have now started our school visits and the transition team are enjoying meeting the students and the primary school staff.

It will soon be the first of our two enrichment evenings : Thursday 4 June **and Wednesday 17th June 5-7pm.** [2026 Enrichment evenings](#)

Please ensure you have the date for the Y6 Induction day (all Y6 students come to us for the day instead of their primary school) on your calendars : Wed 1st July 8.30am to 3pm. We will send out full details about the day nearer the time.

Best wishes

Fiona
