Dear parents/carers

I do hope Sats week is going well.

Today we are issuing our first of our weekly **Newsletters**. We will now be emailing a link to our weekly newsletter to you each week "Moving onto Angmering". This weeks is a welcome from the Headteacher, a section on attendance, home learning, details of the enrichment evenings and information on Y7 sport. [Moving onto Angmering Issue 1](#)

Please note the [current sports club list](#). This will change in September but it gives you an idea of what is available.

MCAS: We are aiming to send out an email after half term to help you access MCAS which is a platform that you will become familiar with throughout your child's time at The Angmering School. If you have another student already with us then you will have used MCAS to view their report. They will come out in batches so please do bear with us as yours may not arrive till later in the week they are issued.

Best wishes

Fiona
