

Thursday 19 June 2026

Dear parents and carers

[Newsletter 5](#) is now online. This edition covers KS3 Design and Technology, Food Technology and Art, Craft and Design.

I hope everyone enjoyed last week's enrichment evening.

Thank you to everyone who has downloaded the MCAS App and given the necessary consents and checked your information on the system. If at any time you encounter a password issue then please visit:

[Password issues](#) For other MCAS related issues then please email mcas@theangmeringschool.co.uk You can get more info [here](#) on our website. Don't forget to download the MCAS app and give your consent if you have not yet done it.

The government has announced that the eligibility criteria for free school meals will change from September 2026.

Please note that if you are currently in receipt of free school meals prior to September, WSCC will be re-checking for eligibility under the new criteria and will inform you of the outcome. Can you please forward a copy of your response from WSCC directly to our finance department using the email finance@theangmeringschool.co.uk so we are aware of whether your child is to receive free school meals in September.

Induction day Information : Wed 1st July, Lunch will be either a packed lunch or bring cash for the canteen. £3 is a guide. Details of what is usually offered in our canteen can be found on the website. [Canteen](#).

Time: 8.30am to 3pm **Gates:** Vehicles will not be allowed on site unless previously agreed with the LNC or with Mrs Fillery. Please park outside the school gates and walk in. We do ask you to be considerate to our neighbours on the Dell with your parking please. · The Bramley Green gate will be open at 8.10am. The front gate, by the field, will open at 8.10am to enable students only to go to the canteen. Parents will leave at the gate and there will be ambassadors to walk students around to the front of school.

Students need to wear primary school uniform.

Students must carry and be responsible for any emergency medication they may need, such as EpiPens, insulin, and inhalers. However, other medication must be handed in to me at the gate on arrival. These will be securely stored and can be collected from Reception at the end of the day. Thank you for your cooperation in helping us keep all students safe. Please note we must have [a signed consent form](#) for all prescription medication. The medication must be in the packaging with the prescription label.

Snack. · There is no access to the canteen at break so please ensure students bring a bottle of water and a snack. A Free School Meal will be provided for students who have this at their primary school at lunchtime. The canteen will take cash on transition day but please do remember that **in September the canteen will be cashless** and we encourage you to use Parent Pay. I remind you all to ensure you have logged onto your MCAS account to ensure you have given consent or the biometric fingerprints to be taken in September. They will be taken on the first day of term. Any parents who have not accessed this please do have a look and ensure you can access it. Parent Pay passwords and logins will be emailed to you in July.

We are really looking forward to seeing your child on transition day. A reminder that in the evening you have the opportunity to attend your first parents evening. This will run from 6pm. Please arrive promptly and make your way to the canteen (there will be guides). You will hear from Mr Liley and then have the opportunity to go and meet your child's tutor. **Our uniform supplier Ricara and McGregors will also be there.** Please do not bring your child to the event where possible.

Have a good weekend.

Best wishes

Fiona
