Dear Parents / Carers,

Welcome to our first Year 7 newsletter! At the start of every half term, I will be reaching out with essential updates, upcoming key dates, and news on how our new year group is settling in.

As Head of Year 7, my mission is to help your children build a Strong Foundation for a Bright Future. Together, we will focus on establishing outstanding study habits, excellent attendance routines, and embodying our core school values: Ambition, Courage, and Respect.

It has been an absolute joy visiting classes and tutor groups over the past few days. The students have brought incredible energy and enthusiasm to their new subjects - and firing up the Bunsen burners in Science was an undeniable highlight!

I look forward to partnering with you this year and getting to know every one of our Year 7 students even better.

Best wishes

Mrs J Fillery

Head of Year 7

CYCLING TO SCHOOL

At The Angmering School, the safety and wellbeing of our students is always our highest priority. Many of our students choose to cycle to school, and we are delighted to see so many taking part in healthy, environmentally friendly travel.

To ensure our students travel as safely as possible, we expect all students to wear a properly fitted cycle helmet, as this significantly reduces the risk of head injury in the event of an accident.

We extend a warm thank you to the many students who already wear their helmets regularly. Moving forward, we would like to ensure that all Year 7 students who cycle always wear a helmet on their journeys to and from school and we hope we have your support with this.

USEFUL INFORMATION

MEDICAL APPOINTMENTS

If your child has a medical appointment during school hours, please email a copy of the appointment to the Attendance Team

attendance@theangmeringschool.co.uk

ANGMERING LIFE

Each Monday, our students are sent the weekly issue of Angmering Life, a student bulletin containing all of the key information they need for the week ahead. You can view these on our website by clicking [here](#).

SPOTLIGHT ON: ARC POINTS

Our students are rewarded with ARC Points in recognition of the positive contribution they make to our school values of **Ambition, Respect and Courage**. Every point celebrates the effort, attitude and actions we want to see across our school community, while also helping students work towards securing a place on our much-anticipated rewards trip later in the school year.

So far, Year 7 have accumulated an incredible **26,460** ARC Points!

A fantastic achievement - well done Year 7!

A POLITE REMINDER ABOUT PARKING

Please help us keep the area around school safe by parking legally and considerately during drop-off and collection times.

Please avoid parking on zigzags, corners, pavements or double yellow lines, and be mindful of our neighbours' driveways and access. Where possible, please consider parking a short distance away and walking to school.

Thank you for helping to keep our school community safe and respectful.
