Dear Parents / Carers,

A huge welcome back to a brand-new school year!

It has been absolutely wonderful seeing our Year 8 students return to school so positively, filled with energy, enthusiasm, and bright smiles.

Reflecting on Year 7, I could not be prouder of the tremendous progress, resilience, and positive attitude this year group demonstrated throughout their very first year secondary school.

As we step into Year 8, I am excited to build on that brilliant foundation and look forward to another fantastic year working together with both our students and their families to support their growth, achievements, and success.

Best wishes

Mrs L Hook

ANGMERING LIFE

Each Monday, our students are sent the weekly issue of Angmering Life, a student bulletin containing all of the key information they need for the week ahead. You can view these on our website by clicking [here](#).

CYCLING TO SCHOOL

At The Angmering School, the safety and wellbeing of our students is always our highest priority. Many of our students choose to cycle to school, and we are delighted to see so many taking part in healthy, environmentally friendly travel.

To ensure our students travel as safely as possible, we expect all students to wear a properly fitted cycle helmet, as this significantly reduces the risk of head injury in the event of an accident.

We extend a warm thank you to the many students who already wear their helmets regularly. Moving forward, we would like to ensure that all students who cycle always wear a helmet on their journeys to and from school and we hope we have your support with this.

SPOTLIGHT ON: ARC POINTS

Our students are rewarded with ARC Points in recognition of the positive contribution they make to our school values of **Ambition, Respect and Courage**. Every point celebrates the effort, attitude and actions we want to see across our school community, while also helping students work towards securing a place on our much-anticipated rewards trip later in the school year.

So far, Year 8 have accumulated an incredible **13,580** ARC Points!

A fantastic achievement - well done Year 8!

A POLITE REMINDER ABOUT PARKING

Please help us keep the area around school safe by parking legally and considerately during drop-off and collection times.

Please avoid parking on zigzags, corners, pavements or double yellow lines, and be mindful of our neighbours' driveways and access. Where possible, please consider parking a short distance away and walking to school.

Thank you for helping to keep our school community safe and respectful.
