10 March 2022

Dear Parent/Carer

Year 10 Geography Residential Field Trip - 25 & 26 March 2022 - Parents' Meeting

The Year 10 Geography residential field trip to London is nearly here.

I am holding a trip meeting for parents and students on Tuesday 15 March at 6pm in the school canteen. The meeting should only last for 30 minutes or so. It will be an opportunity for you to ask any questions and for students to sign up to their room sharing preferences.

If you are unable to attend the meeting, please email me with your child's room share preferences. I cannot guarantee all room preferences but I will do my best to accommodate this.

As this is a residential trip, we require all parents to complete a medical consent form. The form is attached. Please would you return the completed form as soon as possible either to Main Reception or bring it with you to the parents' meeting evening. Alternatively completed forms can be scanned and emailed to Mrs Passfield lpassfield@theangmeringschool.co.uk

It is very important that the medical consent form is returned to us as without it your child will not be able to go on the trip.

Yours sincerely

Mr Ritchie

Head of Geography and Trip Leader
