15 December 2025

Dear Parents and Carers,

We are pleased to invite you to our **Year 11 Consultation Evening on Thursday 8th January 2026**. This event is an important opportunity to discuss your child's progress as they move into the final stages of their GCSE journey. Together, we can ensure that your children are fully supported at home and at school, helping them to stay on track and achieve their potential in the summer examinations.

During your appointment slots, you will have the chance to speak directly with your child's subject teachers about their current performance, strengths, areas for development, and the next steps needed to secure success.

Alongside these meetings, we are also offering a range of additional support for students and their families:

- **Revision Guide Hub** – purchase or view revision materials to help students prepare effectively.
- **Sixth Form Stall** – find out more about post-16 options, entry requirements, and support available.
- **Careers Advice** – speak with our careers team about pathways, apprenticeships and future planning.
- **Uniform Donation Station** – sign up to donate good-quality pre-loved uniform items.
- **Senior Leader Appointments** – book an additional meeting if you would like to discuss wider academic concerns or support.
- **Year Team Leader Appointments** - book a meeting with Mrs Fillery if you would like to discuss any pastoral concerns
- **Parent Workshops from *Action Your Potential*** – We will also be offering 20-minute workshops led by Action Your Potential, providing practical, evidence-based advice on supporting motivation, wellbeing and effective study habits at home. These sessions will guide parents through proven GCSE revision strategies and ways to help children manage the pressures of Year 11. Workshops will run at 4:00, 4:30, 5:00, 5:30 and 6:00, and we strongly encourage families to register for a slot, please click [here](#) to book.

We strongly encourage all parents and carers to attend. Your involvement makes a significant difference to your child's confidence, progress and outcomes.

Further details, including how to book appointments and workshop sessions, will be shared shortly. Thank you for your continued support.

Yours Sincerely

Anne-Marie Anderson
Deputy Headteacher
