Dear Year 11 Students,

As we approach the GCSE languages examination period, we want to ensure that every student has access to as much support and guidance as possible in French and Spanish.

From now until the examinations, all normal timetabled French and Spanish lessons will continue to run as dedicated revision drop-in sessions with teachers available to provide targeted support, answer questions, and help you strengthen areas of weakness. You are expected to make full use of these opportunities as part of your exam preparation.

In addition, there will also be a number of skills-specific revision sessions taking place in the lead-up to each examination. These sessions will focus on the key skills of listening, reading, writing and exam technique, and will be invaluable in helping you feel fully prepared and confident.

Dates and times for these skills-specific revision sessions will be as follows:

**French Writing – Tues 2<sup>nd</sup> June, Period 4, C1**

**French Reading – Weds 3<sup>rd</sup> June, Period 4, C2**

**French Writing – Fri 5<sup>th</sup> June, Period 4, C12**

**Spanish Listening – Mon 8<sup>th</sup> June, Period 4, C14**

**Spanish Writing – Fri 12<sup>th</sup> June, Period 4, C14**

**Spanish Reading – Mon 15<sup>th</sup> June, Period 4, C13**

**Spanish Writing – Tues 16<sup>th</sup> June, Period 4, C14**

Attendance at these sessions is strongly encouraged, and you should prioritise attending wherever possible in order to maximise your performance in the final exams.

Kind regards,

**Miss Mott and Mrs Tapp**
