Dear parent and carers,

Exciting news! Vancols Photography will be visiting our School on Friday 17 April to take individual photos of Year 11. These photos will also be made in a composite whole year group photo!

You **MUST** have given permission for '**Consent For Using Images of Students**' on your MCAS app in order for your child to be photographed.

Your student will bring home a unique, secure, QR proof card on the day of their photographs. You will then be able to view, and purchase their photo within a few working days.

In order to reduce disruption to the students' lessons we are inviting them **to arrive at school from 8.20am to have their photo taken up until 9am**. There will also be an opportunity to come at break or DEAR time.

Please kindly remind them of these times and encourage them to come along!

Kind regards,

Kelly Lasham  
Resources Team Leader
