Dear Parents and Carers of Year 7 Students,

A Flying Start to Year 7 – Follow-Up Video

Thank you to all the parents and carers who came into school to meet with their child's form tutor as part of our *A Flying Start to Year 7* consultation evening. We appreciate you taking the time to attend and work in partnership with us to support your child as they settle into secondary school.

As promised, we are now pleased to share a short video that accompanies these meetings. You can watch it using the link below:

[Watch the A Flying Start to Year 7 video](#)

The video provides a useful overview of the key information shared during the consultation evening, alongside practical advice to help your child make a positive start to Year 7. It covers:

- Establishing strong routines around attendance, punctuality and having the correct equipment.
- Using the student planner and Study Capture to support organisation and revision.
- The role of form tutors in academic mentoring and emotional wellbeing.
- The importance of homework.
- How you can support consistent learning habits at home.
- An overview of what your child will learn in English, maths and science this year.
- Key dates for the year ahead.

We hope you find the video helpful and that it provides a useful reference point as your child continues their journey through Year 7.

At The Angmering School, we are committed to ensuring that every student feels valued, included and challenged. Strong communication between home and school plays an

important role in achieving this, and we look forward to continuing to work closely with you throughout the year.

If you have any questions following your meeting or after watching the video, please do not hesitate to contact your child's form tutor in the first instance.

Thank you again for your support and for being part of our school community.

Kind regards,

The Angmering School
