

**PS287/25-26/MSM/LHO/SSI**

**04 February 2026**

Dear Parents and Carers,

We are pleased to invite you to our **Year 7 Consultation Evening on Tuesday 24th February 2026**. This event is an important opportunity to discuss your child's progress as they move through key stage 3. Our intention is always to work together to ensure that your children are fully supported at home and at school, helping them to stay on track and achieve their potential.

During your appointment slots, you will have the chance to speak directly with your child's subject teachers about their current performance, strengths, areas for development, and the next steps needed to secure success.

Alongside these meetings, we are also offering the following additional support for students and their families:

- **Uniform Station** – sign up to donate or take away good-quality pre-loved uniform items.
- **Parent Support from Action Your Potential** – We work with Action Your Potential to support our students' learning, motivation and well-being. To find out more about Action Your Potential, please [click here](#). As part of this support we are able to give you access to the #NeuroNinja Learning Hub. This provides videos, resources and an app to help navigate the coming years. To sign up to the hub [click here](#).

We strongly encourage all parents and carers to attend this event. Your involvement makes a significant difference to your child's confidence, progress and outcomes.

Further details, including how to book appointments, will be sent out on our return after February half term.

Thank you for your continued support.

Yours faithfully,

Martin Smith  
*Deputy Headteacher*
