

Our Ref: PS204/23

4th May 2022

Dear Parent/Carer

Year 7 Consultation Evening Tuesday 10th May 2022 - Online Appointment Booking.

I would like to invite you to attend our Year 7 Consultation Evening on Tuesday 10th May from 3.30pm – 7.00pm. Appointments will be via video link using a system called School Cloud.

This is an important evening, which provides you with the opportunity to discuss your child's academic progress and engagement with their individual subject teachers. It also allows you to see how your child has settled into the school and their key stage three learning so that you can support them to finish the year successfully and prepare for year 8. We also hope that you will hear how hard your child has been working, giving you the opportunity to praise them and boost their confidence.

School Cloud is an easy to use online appointment booking system which allows you to choose your own appointment times with teachers. You will receive an email confirming your appointments. We have continued with this system after positive feedback from parents and carers last year and are confident this continues to be a successful platform for consultation evenings. We welcome any feedback that you have on your experience and anything that we should consider going forwards.

Appointments may be made from **midday on Wednesday 5 May, until 11.00pm on Monday 9th May 2022.**
