

PS554/25-26/LCX/KLA

Tuesday 30 June 2026

Dear Parents and Carers,

We are delighted to invite you to our **Year 7 Science Fair Finals**, which will be held on **Thursday 2nd July 2026 from 4:30pm until approximately 6:30pm**.

This special event is a wonderful opportunity to celebrate the hard work, creativity, and scientific achievements of our Year 7 students, who have designed and completed their own science fair projects.

All projects will be showcased in the Sports Hall, with the **top 50 projects**, selected by class teachers, on display. Students will be present with their work, giving judges the opportunity to speak with them about their ideas and processes. From these, the **top 20 projects** will be interviewed further as we determine our **Third, Second, and First Place winners for 2026**.

We are also excited to be hosting a **STEAM Festival**, featuring exhibitions and showcases from our Art, Design Technology, Architecture, and Graphic Design teams.

In addition, the evening will include:

- The **Year 5 Science Fair Finals**, involving five of our feeder schools - Judged by Team Science.
- A **hamper for raffle, prizes** kindly donated by families—thank you for your generosity
- Refreshments available to purchase, including:
 - A BBQ serving hot dogs, with vegetarian and vegan options available
 - Cold drinks - mix of fizzy and still drinks
 - Drinks provided by Howie's Coffee, can take cards.
- **Plant sale** - We have been donated some herbs and plants by Vitacress to sell on the Science Fair final day.

We would like to extend our sincere thanks to **Howie's Coffee** and **SunningHill** for their generous prize donations.

Event Timings:

- 4:30pm – Science Fair and STEAM Festival open

- Approximately 6:00pm – Announcement of Year 5 and Year 7 Science Fair winners

Please note that this is a **cash-only event** for food, drinks, and raffle tickets.

We warmly invite you to join us in celebrating the incredible talent and dedication of our Year 7 students. It promises to be an inspiring and enjoyable evening for all.

Art exhibition - The Art Department will be showing a range of GCSE work by our Year 11 students in Fine Art and Photography, as well as some Year 10 Textiles work. We will also have work made by our Year 12 Fine Art and Photography students on display, and we are pleased to say they will have prints of their work for sale. There will be painting, drawing, printmaking, photography and sculpture on show. The students have created some superb pieces of work and we look forward to sharing it with you.

Design Technology - The DT department will be showing off a range of work in graphics and architecture from our GCSE to our sixth form students displaying their work to hopefully inspire the younger students for the future.

Yours sincerely,

Miss Cox
