Dear

### **Year 8 - A Midsummer's Night Dream comes to The Angmering School!**

I am delighted to tell you that following their successful performance to our Year 10 & 11 students last November, the English department has arranged for the London theatre group, Quantum Theatre, to come into school again on the morning of Tuesday 14 June 2022.

They will be performing *A Midsummer's Night Dream* to all of the Year 8 students, who will be off timetable that morning. *A Midsummer's Night Dream* is one of the set texts studied by our Year 8 students this year.

Shakespeare's most enduringly popular comedy of love and intrigue, magic and mayhem, is brought to life in Quantum Theatre's wonderfully funny and exuberant production of the Shakespeare classic. The whole text is presented in a fast paced, accessible and easily understandable style.

We believe that Quantum Theatre's performance will help to enhance and embed our Year 8 students' understanding of the play and will bring Shakespeare's work "alive" to them.

**This is a fantastic opportunity for our Year 8 students and therefore to help us cover the cost of the performance, we are asking parents/carers to make a voluntary contribution of £5 via Parent Pay if they are able to do so.**

Yours sincerely  
Alexandra Wilkinson
