

Ref: PS223/22

16 May 2022

Dear Parents/Carers

We would like to take this opportunity to remind you that the consent forms for the Teenage Booster Vaccinations must be completed by this Friday 20 May 2022 for your son/daughter to be immunised in School Thursday 26 May 2022.

Contained within this email are the following documents:

- **A parent letter** - with instructions on how to complete the online consent form, to either consent or refuse this course of vaccinations. This letter also contains your schools unique Cinnamon school code, which you will require in order to submit your child's consent form. If you have more than one child, but they do not attend the same school site please do not submit the consent for using the same code. You will receive a separate letter from your school in order to consent for both children. Please note there is a cut of time and date for consent completion, which can be found in the letter. This also contains important information on the vaccines and frequently asked questions, to help you and your child reach an informed decision regarding consent.
- **Immunisations for Young People leaflet from Public Health England** - to be shared with your child.

The online consent form is available for completion until 11am three working days before the session date above. If you have any difficulties completing this online form, please contact your local Immunisation team before the cutoff date, using the telephone number provided in the attached letter. **If you miss the cut off time to complete the consent form, we will not be able to vaccinate your child in school on the day of the vaccination session.** The consent form will reopen one working day after the session, enabling you to submit a form for your child to be offered the vaccination at a later date, within one of our catch up clinics.

Yours faithfully

Mr S Smith
Year 9 Team Leader
