Dear Parents/Carers,

We hope you all had a restful and enjoyable Christmas break. As we begin Spring Term 1, we would like to welcome our Year 10 students back to school and thank you for your continued support.

This term is an important one for Year 10 as students continue to embed GCSE knowledge and develop effective study habits. Attendance, punctuality, and engagement in lessons will be a key focus as we prepare students for the demands of the remainder of the course. We ask that students arrive to school on time and by 8.40am, in full correct uniform, and ready to learn each day.

Regular attendance is vital at this stage of the GCSE journey. Even small amounts of missed learning can have a significant impact. If your child is unwell, please ensure the school is informed as early as possible. We expect all students to uphold our school values by showing respect, responsibility, and resilience. This includes being punctual to lessons, completing homework on time, and engaging positively with staff and peers. Where concerns arise, we will continue to work closely with families to provide support.

Year 10 can feel demanding at times, and we encourage students to speak to a trusted adult in school if they are feeling worried or overwhelmed. Our pastoral and support teams are always available to help.

This term includes continued preparation for internal assessments, enrichment opportunities, and guidance around revision strategies. More information will be shared as the term progresses. Thank you, as always, for your ongoing partnership. We look forward to a positive and productive term ahead.

Kind regards

Mrs Wyatt
