\*CHANGES AND UPDATES WILL BE SHOWN IN BOLD

YEAR  
10

## Dear Parents/Carers,

As we move further into the Spring Term, Year 10 students continue to show increasing maturity and focus, particularly as GCSE content becomes more demanding. This week's newsletter includes key updates, reminders, and upcoming dates to support your child's progress.

Good attendance remains crucial in Year 10, as learning builds week by week. Please continue to support your child in arriving on time and ready to learn each day. If there are any concerns impacting attendance, we encourage early communication with the Year Team.

Overall behaviour has been positive, with many students demonstrating improved focus and resilience. A reminder that high standards of conduct, uniform, and equipment are expected at all times to ensure a calm and productive learning environment.

Year 10 can be a challenging year as academic expectations increase. Students are reminded that support is available through tutors, subject teachers, and the pastoral team. Encouraging open conversations at home about workload and wellbeing is greatly appreciated.

### Key dates and reminders:

- Ongoing: GCSE coursework deadlines – please check subject-specific communications
- Revision: Students should begin building regular, short revision sessions into their weekly routine
- Equipment: Students must bring full equipment daily, including calculator for Maths and Sciences

Kind regards

**Mrs Wyatt**

Mrs S Wyatt  
Head of Year 10

## Thank you to our students

We would like to thank all of our students for their kindness and cooperation on Wednesday this week.

During our end-of- school dismissal, emergency services were required to attend a fire near our school.

We have been contacted by several members of the public who wished to praise our students for their conduct, politeness, and consideration during what was a stressful situation.

PROUDLY WORKING TOWARDS

We ask all parents and carers to park safely, legally, and considerately. Unsafe or illegal parking—on corners, zigzags, pavements, double yellow lines, or blocking driveways—creates hazards for children, pedestrians, and other road users, and causes distress to local residents.

Parking restrictions exist to keep everyone safe. The local authority enforces them, and concerns are being raised directly. Your cooperation helps maintain a safe, respectful environment around the school.

Thank you for your support.

# Parking Reminder for School Drop-Off and Pick-Up

- Park legally and responsibly
- Avoid restricted areas and driveways
- Consider parking a short distance away and walking to school
