## Dear Parents/Carers,

As we enter the final half-term of Year 10, I would like to congratulate our students on what has, overall, been a successful year. Many students have worked hard, shown resilience and maturity, and are beginning to understand the importance of the year ahead. With Year 11 just around the corner, this is an exciting time and an opportunity for everyone to finish Year 10 strongly.

Whilst there is much to celebrate, there are some areas that require improvement. As students prepare for Year 11, it is important that they understand that expectations remain high. Artificial eyelashes, along with any other items that do not comply with the school's uniform policy, are not permitted. These expectations will not be relaxed, and we appreciate the support of parents and carers in ensuring that students arrive at school correctly dressed and ready to learn.

Behaviour and attitudes to learning must also remain a priority. Although the summer term can be busy and exciting, it is important that students continue to demonstrate the high standards expected of them. We want Year 10 students to set an example to younger students by remaining respectful, well-behaved and fully engaged in their learning.

Every lesson matters. The habits students develop now will have a significant impact on their success in Year 11. By maintaining high standards of attendance, behaviour, uniform and effort, students will place themselves in the strongest possible position as they begin their GCSE year in September.

Thank you, as always, for your continued support. Together, we can ensure that our Year 10 students finish the year positively and are fully prepared for the challenges and opportunities that Year 11 will bring.

Have a great weekend.

Kind regards

**Mrs Wyatt**
